WORK EXPERIENCE

Grace Watson Dining Server

December 2017-May 2018

Worked during the school year. I was responsible for doing basic prep work, greeting people and serving food.

iD Tech Instructor

July 2018-August 2018

Taught LUA to children ages 10-13 and Computing Security to children ages 13-18. I was responsible for creating lesson plans and maintaining a safe environment.

Fat Straw Barista

September 2018-Current

Working during the school year, I am responsible for greeting people and making bubble tea drinks while providing good customer service.

PROJECTS

Personal Website

A website that I worked on for the mentorship program. It features all of my personal links and hosts my resume. Hosted at mtn6807.github.io.

Basic Malware

Still a work in progress - with the mentor group we are working on making a software which creates a basic python shell on a target computer and forwards data back to the attacker.
